Harvest: September 8, 2016
Barrel Aging: 25% New Oak, 100% French
Cases Produced: 319 cases
Alcohol: 14.2%

Vineyard Info:

This vineyard is a highly sought-after gem located in the northeastern corner of Green Valley. The cooler temperatures help make it one of the most perfect areas to grow Pinot Noir in the entire Russian River Valley. Rooted in the well-drained Gold Ridge Sandy Loam soil, these vines receive the perfect amount of sun exposure for delicate and elegant fruit.

Winemaker Notes:

This well-structured Pinot Noir consists of multiple clones. The 23 clone lends itself to the bold, intense color and accentuates the voluptuous mid-palate. The 777 clone adds the pop of the Bing cherry to the aromatics and overall taste profile. The smooth, silky finish almost stains your sinuses.

Jigar Wines

Located in the heart of enchanting Sonoma County, CA, our family-owned boutique winery places an emphasis on showcasing the terroir of the region. Our small production winemaking techniques allow us to create wines that are a worthy representation of the vineyards from which they originate.
