**Appellation:** Mendocino County  
**Harvest:** September, 2019  
**Barrel Aging:** Stainless Steel  
**Cases Produced:** 129 cases  
**Alcohol:** 13.9%

## Vineyard Info:

Located in Mendocino County's Redwood Valley and organically farmed by Alvin Tollini, this picturesque area is the source of our Grenache. The vineyard is known for its distinct soil types that are characterized by intense red color and alluvial clay. Coupling that with a temperature that is cooler than other parts of Mendocino makes Tollini Vineyard an ideal location for grape-growing.

## Winemaker Notes:

A bounty of strawberry and peach preserves are presented in the glass of this exquisite Rose' of Grenache. The inviting color boasts aromas of watermelon and fresh spring herbs. The refreshing mid-palate experience leads to a crisp, clean finish. Pairs adventurously well with an apple and goat cheese salad.

## Jigar Wines

Located in the heart of enchanting Sonoma County, CA, our family-owned boutique winery places an emphasis on showcasing the terroir of the region. Our small production winemaking techniques allow us to create wines that are a worthy representation of the vineyards from which they originate.
